INDEPENDENT AUDITOR'S REPORT

To the members of HABITAT FOR HUMANITY PRINCE EDWARD-HASTINGS

Qualified Opinion

We have audited the financial statements of **HABITAT FOR HUMANITY PRINCE EDWARD-HASTINGS**, which comprise the statement of financial position as at December 31, 2023, and the statements of revenues and expenses, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Organization derives revenue from fundraising activities the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Organization. Therefore, we were not able to determine whether any adjustments might be necessary to fundraising revenue, excess of revenues over expenses, and cash flows from operations for the years ended December 31, 2023 and 2022, current assets as at December 31, 2023 and 2022, and net assets as at January 1 and December 31 for both the 2023 and 2022 years. Our audit opinion on the financial statements for the year ended December 31, 2022 was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

INDEPENDENT AUDITOR'S REPORT (continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

1. NATURE OF OPERATIONS

Habitat for Humanity Prince Edward-Hastings is an independent, not for profit housing provider dedicated to the elimination of poverty housing by building homes in partnership with families in need. The organization is incorporated without share capital under the laws of Ontario. The organization is a registered charitable organization under the Income Tax Act and is exempt from income taxes.

The Organization is an affiliate of Habitat for Humanity Canada ("HFHC"). There is an affiliation agreement between HFHC and all Canadian affiliates that sets the general operating principles for every autonomous affiliate. Currently HFHC provides affiliates across the country with administrative and marketing support, training opportunities, funding and gift-in-kind coordination.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements are prepared in accordance with Canadian Accounting Standards for Not-for-profit organizations.

Investments

The purchase and sale of investments are accounted for using settlement date accounting.

Accounting estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reported year. Significant items subject to such estimates and assumptions include valuation of accounts and mortgages receivable, inventory, the estimated useful life of capital assets, and significant accrued liabilities. Actual results could differ from these estimates.

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Financial instruments

The Organization initially measures its financial assets and financial liabilities at fair value adjusted by transaction costs in the case where a financial asset or financial liability is subsequently measured at amortized cost.

The Organization subsequently measures all its financial assets and financial liabilities at amortized cost except for investments quoted in an active market, which are measured at fair value. Changes in fair value are recognized in the Statement of Operations in the period incurred. Financial assets measured at amortized cost include cash, accounts receivable, government rebate recoverable, mortgage receivables. Financial assets measured at fair value include investments.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

The fair value of the equity investments is the closing price obtained from the applicable exchange at the date of the Statement of Financial Position.

Inventories

Inventory of homes in progress and completed homes are recorded at the lower of cost and net realizable value. Cost is the initial cost of the properties plus carrying charges and construction costs incurred to year end. Net realizable value of homes in progress is the expected selling price of the home less anticipated costs of completion.

When the cost of inventories exceeds the net realizable value, the cost of inventories will be written down to net realizable value. Any such write-down will be included in home costs for the year of the write-down.

If circumstances or events lead to a subsequent increase in the net realizable value of the inventory that was written down, the amount of the write-down will be reversed and will reduce home costs in the year of the reversal.

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Property, plant and equipment

Property, plant and equipment are recorded at cost. The Organization provides for amortization using the straight-line method at rates designed to amortize the cost of the property, plant and equipment over their estimated useful lives. The annual amortization rates are as follows:

Buildings	40 years
Equipment	5 years
Vehicles	5 years
Computer equipment	5 years
Website	5 years
Fences	10 years
Signs	10 years

Revenue recognition

Revenue on significant contracts, which provide for progress billings and payments as part of the contract, are recognized on the percentage of completion method. Deferred revenue, in current liabilities, represents billings rendered in excess of revenue earned.

Sales of homes are recognized upon the later of the date of substantial completion and the date the mortgage agreement is signed. Sales of donated goods at the 'Restore' are recognized upon transfer of goods to the customer.

Contributions received relating to the purchase of tangible capital assets are deferred and amortized over future periods. The amortization period is based on the period used to amortize the corresponding tangible capital assets.

Sales of Homes

Homes sold by the organization prior to fiscal 2009 were settled by a first and second mortgage. The second mortgages have no specific terms of repayment and are repayable only if the mortgagors fail to comply with certain terms and conditions or if the house is sold by the homeowner prior to the payment of the first mortgage in full. The second mortgage is reduced by 25% when 60% of the length of the first mortgage has passed (this could be after 12 to 20 years), if all terms and conditions are met, until such time as the first mortgage is paid in full and at that time any remaining amount on the second mortgage is waived. The second mortgage is not recognized as revenue or as an amount receivable upon initial sale of the home by the Organization. The second mortgage would only be recognized in the event of a failure to comply with the terms and conditions of the first mortgage or if the house is sold by the homeowner prior to the repayment of the first mortgage in full and there is reasonable assurance of collection. In 2009, in accordance with national policy, the use of second mortgages was discontinued and now the full home selling price is settled by a first mortgage.

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributed goods and services

Contributed goods and services are recorded as contributions at their estimated fair market value at the date of donation where the goods and/or services would otherwise be purchased. No recognition is made in the financial statements for time spent by individual volunteers in fundraising, administration or constructing homes. No recognition is made in the financial statements for goods contributed to the 'ReStore' for resale until the goods are actually sold.

Cash and cash equivalents

Cash and equivalents consist of cash on deposit.

First mortgages receivable

The Organization has designated its mortgages as held for trading and has recorded them at fair value. Fair value of mortgages receivable is determined by discounting the future payment stream at estimated current interest rates.

Government assistance

Government assistance in the form of non-repayable subsidies and forgivable loans is accounted for using the cost reduction approach, whereby the operating expense is reduced by the assistance received; if assistance received is not for a specific expenditure, the assistance is recorded as revenue. Government assistance is recognized in the period where all conditions of the non-repayable subsidies and forgivable loans are met.

3. FINANCIAL INSTRUMENTS

Credit risk

Credit risk is the risk of financial loss to the Organization if a debtor fails to make payments of interest and principal when due. The Organization continually monitors the credit risk of their financial instruments. It is management's opinion that the organization is not exposed to significant credit risk.

Liquidity risk

Liquidity risk is the risk that the Organization will not be able to meet all cash outflow obligations as they come due. The Organization mitigates this risk by monitoring cash activities and expected outflows.

3. FINANCIAL INSTRUMENTS (continued)

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Organization is not exposed to currency risk.

Interest rate risk

Interest rate risk is the potential for financial loss caused by fluctuations in fair value or future cash flows of financial instruments because of changes in market interest rates. It is management's opinion that the Organization is not exposed to significant interest rate risk as the bank loans are at a fixed rate.

Other price risk

Other price risk is the risk that the fair value of financial instruments or future cash flows associated with the instruments will fluctuate due to changes in market prices (other than those arising from currency risk or interest rate risk), whether those changes are caused by factors specific to the individual instrument or its issuer or factors affecting all similar instruments traded in the market. The Organization is exposed to other price risk on their investments.

Change in risk

During the year, the Organization's exposure to other price risk increased due to the purchase of equity investments in the year.

4. INVENTORIES

Inventories consist of the following:

	-		-	
Bancroft properties	\$	64,116	\$	61,317

7. SECOND MORTGAGES RECEIVABLE

The organization previously issued non-interest bearing second mortgages on sales of residential units which become forgivable upon fulfillment of various criteria. This practice was discontinued in 2009. The balance receivable at December 31, 2023 is \$155,500 (2022 - \$155,500) for these mortgages issued on sales prior to 2009. These second mortgages have not been reflected in the accounts of the Organization.

9. LONG-TERM DEBT

	2023		2022
Royal Bank of Canada loan, with interest at 3.52% repayable in blended monthly installments of \$3,157 to maturity in February 2026, secured by a general security agreement over all of the Organization's assets. In addition, there is a collateral mortgage in the amount of \$650,000 constituting a fixed charge on the land and improvements located at 365 Bell Blvd. Belleville, Ontario. Less current portion	\$ 76,116 35,776	\$	110,670 34,541
	\$ 40,340	2	76,129

10. LOAN PAYABLE

Loan payable consists of forgivable construction loan, interest at 0%, forgivable if the Organization meets the conditions specified by Canada Mortgage and Housing Corporation.

	2023		2022	
639 & 641 Sidney St	\$	18,432 \$	=	

The book value of the loan at December 31, 2023 is \$50,000. The loan has been discounted to reflect the below market interest over the interest free period at a rate of 5%. The fair value of the adjustment on the loan is \$31,568 and is included in other income. The loan will be forgiven in tranches over a 20 year period. Forgiveness of each Tranche will commence from the year following the year of final draw. The amount of the loan forgiven during the year is \$Nil.

11. CANADA EMERGENCY BUSINESS ACCOUNT

The CEBA was intended to subsidize non-deferrable operating expenses for entities impacted by COVID-19. The CEBA is interest-free until January 18, 2024. Repaying the balance of the loan on or before January 18, 2024 will result in loan forgiveness of \$20,000. As at year-end, The loan has been paid.

12. DEFERRED CONTRIBUTIONS RELATED TO TANGIBLE CAPITAL ASSETS

Deferred contributions related to tangible capital assets consist of the following:

	<u>-</u>	2023	2022
Balance, beginning of year Amortization of deferred contributions in the year	\$	526,001 \$ (24,333)	553,334 (27,333)
Balance, end of year	\$	501,668 \$	526,001
DEFERRED CONTRIBUTIONS	-	2023	2022
Donations Seed Fund - CMHC Donated Land - 639 Sidney St. Donated Land - 633 Sidney St.	\$	37,529 \$ 130,477 321,000	5,368 321,000 342,801

The donated land will be recorded as revenue when the projects are completed and sold.

14. ADJUSTMENT TO FAIR VALUE OF MORTGAGES

Mortgages receivable are remeasured at year-end based on the 25 year Bank of Canada zero-coupon bond yield and a risk premium to account for the risky nature of the mortgages receivable. Adjustments to the fair value of mortgages are shown on the Statement of Operations. The rate used in 2023 is 5% (2022 - 5%).

15. COMMITMENTS

13.

The Organization has commitments under an operating lease for its premises. The minimum payments under the lease are as follows:

489,006 \$

669,169

15. COMMITMENTS (continued)

2024	\$ 52,441
2025	74,270
2026	78,618
2027	82,966
2028	87,314
	\$ 375,609

16. COMPARATIVE FIGURES

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year. The changes do not affect prior year earnings.
